LUNCH & LEARN

SEPTEMBER 28, 2022

11:45 a.m.–1 p.m.

Cultural Resources: Cemeteries Lunch and Learn Webinar

ABOUT THIS WEBINAR:

Archaeologists from the North Carolina Department of Transportation (DOT) and the Office of State Archaeology (OSA) regularly coordinate during the planning stage of transportation projects, particularly those potentially impacting archaeological sites. In addition to archaeological sites, the OSA also maintains documentation on historic cemeteries. This lunch & learn will highlight OSA's historic cemetery program, various state legislation on cemeteries, how the OSA and DOT interact when transportation projects impact cemeteries, and the types of constituent concerns and community buy-in typically encountered concerning cemeteries.
