## Learning Objectives

- Gain familiarity with the interface and navigation in Revu.
- Redline PDFs with customizable clouds, callouts, and more, and save custom annotations in the Tool Chest for easy reuse.
- Create QA/QC reports with the built-in Markups List.
- Jumpstart your knowledge with built-in video tutorials, pre-loaded tool sets and sample files.

- Training Resources

The screenshot shows the Revu software interface with a 'Collaborative Review' tutorial video player open. The video player has a blue background with the text 'COLLABORATIVE REVIEW' and a play button icon. Below the video player, there is a link that says '< Back to Revu Tutorials'. The software interface includes a menu bar (Revu, File, Edit, View, Document, Batch, Tools, Window, Help), a 'Tool Chest' sidebar with various tool categories like 'My Tools', 'Recent Tools', 'Architect Review', 'Contractor Review', 'Engineer Review', 'General Measurements', 'Design Symbols', and 'Construction Symbols', and a table of design symbols.

# Additional Resources – support.Bluebeam.com

The screenshot shows the 'Training Videos' page on support.Bluebeam.com. At the top, there is a navigation bar with the Bluebeam logo and 'SUPPORT' text, followed by search and category links: 'Search', 'Products +', 'Downloads & Updates', 'Training Videos +', 'Request Support +', and 'Suggestions'. The main heading is 'Training Videos', with a subtext: 'Interested in learning more about a specific feature of Revu? Explore our expanding list of videos to find the tool or feature that meets your needs. Need more intensive training? We offer [Instructor-led](#) and [Online Training](#).' Below this are two filter buttons: 'On-Demand Webinars' and '2017 & Below'. A breadcrumb trail shows 'Home / Training Videos'. At the bottom, there are four category tiles: 'Interface and Navigation' (with a mouse cursor icon), 'Markup Tools' (with a speech bubble icon), 'Markups List' (with a list icon), and 'Editing Documents' (with a document and wrench icon).
